EDUCATION COMMITTEE-HOA BOARD MEETING

Mulvane, KS November 15, 2019

1. Discuss what direction the HOA Board feels the Education Committee can proceed outside of approving education submitted for approval and the yearly conference education provided to its members. Recently the Education committee was asked to extend the HOA ICC Preferred Provider status to a function HOA was not directly involved in.
2. Does the Board approve the Education Committee to enter into an MOU with the KEEC concerning course approval.
3. The Spring Education will be planned in December and no later than January. Does the HOA Board have any direction to provide the committee? Discussion on what group is HOA trying to reach with education in Mulvane; HOA members, non-members, contractors?
4. Seeking direction from the HOA Board on education cost limits for the spring meeting in Mulvane.
5. Does the Education Committee target education in Mulvane to the Fire Service?
